October the Month of the Rosary

“When reciting the Rosary, the important and meaningful moments of salvation history are relived. The various steps of Christ's mission are traced. With Mary, the heart is oriented toward the mystery of Jesus. Christ is put at the center of our life, of our time, through the contemplation and meditation of his holy mysteries of joy, light, sorrow and glory. May Mary help us to welcome within ourselves the grace emanating from these mysteries, so that through us we can "water" society, beginning with our daily relationships, and purifying them from so many negative forces, thus opening them to the newness of God. The Rosary, when it is prayed in an authentic way, not mechanical and superficial but profoundly, it brings, in fact, peace and reconciliation.” Pope Benedict XVI
