

- ❖ **Eagle Scout Project:** As in the past years, the parish family of St. Bridget and St. Thomas the Apostle have been invited to participate in an Eagle Scout Project. The project will seek to replace the worn carpet in the sacristy, altar area, and work room in St. Bridget's church. Coupled with this project, we will also look to repair and repaint these areas. Included are pictures to assist you in visualizing where our proposed vision will lead us.
- ❖ **St. Bridget Catholic Church** is fast approaching her One hundred and fiftieth anniversary and we are working on updating St. Bridget's history. If you have a memory, a story, a newspaper clipping, and/or pictures, etc. from or about St. Bridget's that you would like to share please email copies and/or your memories to development@stthomastheapostleatholicchurch.com
