TO PARENTS

1—Home Study: Every student should devote an hour and a half to private study at home every evening. There is always assigned work and study for every student every day. If student claims the contrary, immediate inquiry should be made.*

2—The grades appearing on this report in any subject should be carefully noted by the parents. Immediate attention should be given to every low grade by either consulting the principal or teacher concerned.

3—ABSENCE: Students must present a written excuse signed by parents before being admitted to class following an absence from school.**

4—RETURNING REPORT CARDS: Reports are to be signed and returned THURSDAY of the week in which they are issued.

* Please examine carefully this report on your son's progress in his studies and character development. We want to cooperate with you to the fullest extent in training your son.

** A student loses two points in each subject for each day's absence. However, in the case of an excused absence, the student may make up half of the points lost by asking his teacher for additional work.
